TROUBLESHOOTING

- Can't log in to the ftp site?
 If you are unable to log in, please contact your IT Support for assistance. There may be security settings in place at your school/business blocking your access.
 - Check your network firewall settings.
 - The FTP site may be locked after entering an invalid login three times. Try again after an hour, as the FTP server will be unlocked automatically. If the FTP is not working after one hour, contact the Softlink conversions team on 1800 777 037.
